

Water & Wastewater Treatment Plant: UK

Published
March 2004

**THE MARKET REPORT WITH THE ANSWERS
YOU NEED**

“The UK capital expenditure on water and wastewater treatment plant increased by some 5% in 2003, report MSI in their latest report. This increase followed subsequent increases in all of the previous years except 2001, where MSI believe that OFWAT’s periodic review affected investment substantially throughout the water industry.”

**MSI’s reports are
endorsed by the Chartered
Institute of Marketing**

**See inside for a
full table of contents
and list of tables.....**

Want to increase your profits? Need to be certain of which areas to invest in?

THIS REPORT HAS THE ANSWERS

This report will give you the information you need to:

- plan your future sales and marketing campaigns
- develop new products/services
- become more competitive
- set targets and objectives

This report includes the following tables:

1. Retail Price Indices Used In This Report
2. UK Economic Indicators, 2000-2004
3. UK Capital Expenditure On Water And Wastewater Treatment Plant, 1999-2003
4. UK Capital Expenditure On Water And Wastewater Treatment Plant, By End User Sector, 1999-2003
5. UK Capital Expenditure On Wastewater Treatment Plant By Municipalities, 1999-2003
6. UK Capital Expenditure On Water Treatment Plant By Municipalities, 1999-2003
7. UK Capital Expenditure On Wastewater Treatment Plant By Industry, 1999-2003
8. UK Capital Expenditure On Water Treatment Plant By Industry, 1999-2003
9. UK Capital Expenditure On Water And Wastewater Treatment Plant, By End User Industry, 1999-2003
10. UK Capital Expenditure On Water Treatment Plant, By Type Of Equipment, 1999-2003
11. UK Capital Expenditure On Wastewater Treatment Plant, By Type Of Equipment, 1999-2003
12. Number Of UK Municipal Wastewater Treatment Plants To Be Completed In England And Wales, 2001-2005
13. Levels Of Treatment Required Under The UWWTD For Estuarial, Inland And Coastal Waters
14. Population Served By Sewage Treatment Works In England And Wales, By Treatment Standard, 2002
15. Forecast UK Capital Expenditure On Water And Wastewater Treatment Plant, 2004-2008
16. Forecast UK Capital Expenditure On Water And Wastewater Treatment Plant, By End User Sector, 2004-2008
17. Forecast UK Capital Expenditure On Wastewater Treatment Plant By Municipalities, 2004-2008
18. Forecast UK Capital Expenditure On Water Treatment Plant By Municipalities, 2004-2008
19. Forecast UK Capital Expenditure On Wastewater Treatment Plant By Industry, 2004-2008
20. Forecast UK Capital Expenditure On Water Treatment Plant By Industry, 2004-2008
21. Forecast UK Capital Expenditure On Water And Wastewater Treatment Plant, By End User Industry, 2004-2008
22. Forecast UK Capital Expenditure On Water Treatment Plant, By Type Of Equipment, 2004-2008
23. Forecast UK Capital Expenditure On Wastewater Treatment Plant, By Type Of Equipment Type, 2004-2008
24. Areas Of Diversification For Selected WaSCs And WoCs
25. Public Water Supplied In The UK, 1999-2003
26. Capital Investment In Water And Sewage Treatment By The UK Water Industry, 1999-2003
27. Capital Investment In Water And Sewage Treatment By The UK Water Industry, By Type, 1999-2003
28. Capital Investment In Water And Sewage Treatment By The UK Water Industry, By Region, 1999-2003
29. Forecast Total Capital Expenditure By The UK Water Industry In Water And Sewerage Projects, By Company, 2004-2008
30. Capital Investment In Water Treatment By The UK Water Industry, 1999-2003
31. UK Capital Investment In Water Treatment By The UK Water Industry, By Company And Region, 2001-2002 and 2002-2003
32. Capital Investment In Sewage Treatment By The UK Water Industry, 1999-2003
33. UK Capital Investment In Sewage Treatment By The UK Water Industry, By Company And Region, 2001-2002 and 2002-2003
34. Disposal Of Sewage Sludge In England and Wales, By Method, 2002
35. Disposal Of Sewage Sludge In Scotland, By Method, 2002
36. Disposal Of Sewage Sludge By The NI Water Service, By Method, 2001
37. Annual Price Rise Limits Of Water Service Companies In The UK, By Company, 2001-2005
38. Annual Price Limits Of Water Only Companies By Company, 2000-2005
39. Capital Investment By The Chemical Industry In The UK, 1999-2003
40. Capital Expenditure On Water and Wastewater Treatment Plant By The Chemical Industry In The UK, 1999-2003
41. Capital Investment By The Oil And Gas Production Industry, 1999-2002
42. Capital Expenditure On Water and Wastewater Treatment Plant By The Electricity And Gas Industries In The UK, 1999-2003
43. Capital Expenditure On Water And Wastewater Treatment Plant By The Food And Drink Industry In The UK, 1999-2003
44. Capital Expenditure On Water And Wastewater Plant Treatment Plant By The Petroleum Refining Industry, 1999-2003
45. Capital Expenditure On Water And Wastewater Treatment Plant By The Metals Processing Industry In The UK, 1999-2003
46. Capital Expenditure On Water And Wastewater Treatment Plant By The Engineering Industry In The UK, 1999-2003
47. Capital Expenditure On Water And Wastewater Treatment Plant By The Mining And Quarrying Industry In The UK, 1999-2003
48. Capital Expenditure On Water And Wastewater Treatment Plant By The Pulp And Paper Industry In The UK, 1999-2003
49. Capital Expenditure On Water And Wastewater Treatment Plant By Other Industries In The UK, 1999-2003
50. Financial Summary Of Alfa Laval, 1997-2001
51. Financial Summary Of Biwater, 1998-2002
52. Turnover Of Biwater, By Type Of Business, 2001 And 2002
53. Turnover Of Biwater, By Geographical Destination, 2001 And 2002
54. Financial Summary Of Brackett Green, 1998-2002
55. Financial Summary Of Chemfeed, 2000-2002
56. Financial Summary Of Gee & Co (Effluent Control), 1998-2002
57. Financial Summary Of Jones And Attwood, 1998-2002
58. Turnover Of Jones And Attwood, By Region, 2001 and 2002
59. Financial Summary Of Ondeo Nalco, 1998-2002
60. Financial Summary Of Purac, 1999-2002
61. Financial Summary Of OTV, 1998-2002
62. Financial Summary Of Thames Water Products, 1998-2001
63. Turnover Of Thames Water Products, By Geographic Region, 2000 And 2001
64. Financial Summary Of Waterlink (UK), 1997-2001

**This report contains 145 pages
with 64 tables**

TABLE OF CONTENTS

1 EXECUTIVE SUMMARY

2 INTRODUCTION

3 LEGISLATION

- 3.1 Overview
- 3.2 EU Legislation

4 REGULATORY STRUCTURE

- 4.1 Regulatory Background
 - 4.1.1 Overview
 - 4.1.2 England And Wales
 - 4.1.2.1 The Environment Agency
 - 4.1.2.2 OFWAT
 - 4.1.2.3 DWI
 - 4.1.3 Scotland
 - 4.1.4 Northern Ireland

5 MARKET OVERVIEW

- 5.1 Market Size And Trends, 1999-2003
- 5.2 Market Segmentation, By Sector
 - 5.2.1 Overview
 - 5.2.2 Municipal Water And Wastewater Treatment Plant
 - 5.2.3 Industrial Water And Wastewater Treatment Plant
- 5.3 Market Segmentation, By End User Industry
- 5.4 Market Segmentation, By Equipment Type
 - 5.4.1 Water Treatment Equipment
 - 5.4.1.1 Overview
 - 5.4.1.2 Chemical Processes
 - 5.4.1.3 Holding Systems
 - 5.4.1.4 Sedimentation Equipment
 - 5.4.1.5 Ion Exchange Systems
 - 5.4.1.6 Filtration Systems
 - 5.4.1.7 Traps And Screens
 - 5.4.1.8 Others
 - 5.4.2 Wastewater Treatment Equipment
 - 5.4.2.1 Overview
 - 5.4.2.2 Ion Exchange Systems
 - 5.4.2.3 Sedimentation Systems
 - 5.4.2.4 Sludge Treatment Equipment
 - 5.4.2.5 Biological Processes
 - 5.4.2.6 Chemical Processes
 - 5.4.2.7 Holding Systems
 - 5.4.2.8 Neutralisation Systems
 - 5.4.2.9 Others
- 5.5 Plants To Be Completed In England And Wales
- 5.6 Management Of Sewage And Sewage Sludge
- 5.7 Factors Affecting Investment
 - 5.7.1 Overview
 - 5.7.2 Municipal Sector
 - 5.7.3 Industrial Sector
- 5.8 Forecast Market Size, 2004-2008
 - 5.8.1 Overview
 - 5.8.2 Forecast Market Segmentation, By Sector

- 5.8.3 Municipal Water And Wastewater Treatment Plant
- 5.8.4 Industrial Water And Wastewater Treatment Plant
- 5.9 Forecast Segmentation, By End User Industry
- 5.10 Forecast Market Segmentation, By Equipment Type
 - 5.10.1 Water Treatment
 - 5.10.2 Wastewater Treatment Equipment

6 CRITICAL SUCCESS FACTORS

7 END USERS

- 7.1 Municipal End User Market
 - 7.1.1 Overview
 - 7.1.2 Water Production
 - 7.1.3 Capital Expenditure
 - 7.1.3.1 Overview
 - 7.1.3.2 Water Treatment
 - 7.1.3.3 Sewage Treatment
 - 7.1.3.4 Sewage Sludge Disposal
 - 7.1.3.5 Funding Methods
- 7.2 Industrial End User Market
 - 7.2.1 Overview
 - 7.2.2 Chemical Industry
 - 7.2.3 Electricity and Gas Industry
 - 7.2.4 Food and Drink Processing Industry
 - 7.2.5 Petroleum Refining Industry
 - 7.2.6 Metals Processing
 - 7.2.7 Engineering Industry
 - 7.2.8 Mining and Quarrying Industry
 - 7.2.9 Pulp and Paper Industry
 - 7.2.10 Other Industries
 - 7.2.11 Process Design
 - 7.2.12 Funding

8 INDUSTRY STRUCTURE

- 8.1 Overview
- 8.2 Company Profiles
 - 8.2.1 Alfa Laval
 - 8.2.2 Bewater
 - 8.2.3 Brackett Green
 - 8.2.4 Chemfeed (formerly Wallace & Tiernan)
 - 8.2.5 Gee & Co (Effluent Controls)
 - 8.2.6 Jones and Attwood
 - 8.2.7 Ondeo Nalco
 - 8.2.8 Purac
 - 8.2.9 OTV
 - 8.2.10 Thames Water Products
 - 8.2.11 Vexamus Water

9 WATER COMPANIES AND AUTHORITIES

- 9.1 Water & Sewerage Companies
 - 9.1.1 England And Wales
 - 9.1.2 Scotland
 - 9.1.3 Northern Ireland
- 9.2 Water Only Companies

Order Form: Water And Wastewater Treatment Plant: UK

Published in March 2004

Order Details

I would like to purchase the **MSI Dataplus: Water And Wastewater Treatment Plant: UK** in the following format:

- | | |
|--|---|
| <input type="checkbox"/> In hard copy for £915 (0% VAT rated) | <input type="checkbox"/> By e-mail for £915 excl. VAT (credit cards orders only) |
| <input type="checkbox"/> On disk for £915 excl. VAT | <input type="checkbox"/> On CD-Rom for £915 excl. VAT |
| <input type="checkbox"/> By e-mail & in hard copy for £1220 excl. VAT (credit card orders only) | |

I would also like to purchase the following related titles:

- MSI Databrief: **Water Supply Industry Capital Expenditure: UK**, published April 2003, £375 (excl. VAT)
- MSI Databrief: **Water Supply Investment Profiles: UK**, published April 2003, £375 (excl. VAT)
- MSI Databrief: **Sewage Disposal Industry Capital Expenditure: UK**, published April 2003, £375 (excl. VAT)
- MSI Databrief: **Sewage Disposal Industry Investment Profiles: UK**, published April 2003, £375 (excl. VAT)

VAT on hard copy formats is 0% rated, for all other formats VAT will be applied at the appropriate rate.

I would like to benefit from your special offer:

- | | |
|---|---|
| <input type="checkbox"/> 10% discount on the purchase of 2 reports | <input type="checkbox"/> 20% discount on the purchase of 4 reports |
| <input type="checkbox"/> 15% discount on the purchase of 3 reports | <input type="checkbox"/> 25% discount on the purchase of 5 reports |

FAX ORDERS TO: 0800 195 6757

TELEPHONE FOR FURTHER INFORMATION: 0800 195 6756

E-MAIL: enquiries@msi-marketingresearch.co.uk

Alternatively Send Your Order To: MSI, Viscount House, River Lane, Saltney, Chester, CH4 8RH

Preferred Payment Method

- I enclose a cheque made payable to MSI for £_____ (a receipt will be sent with your order)
- Payment upon receipt of invoice (£5 deferred payment charge) (Terms: payment by return)
- Please charge my credit card £_____ Mastercard AMEX Visa

Card Holder's Address: _____

Your Details

Name: _____ Position: _____

Organisation: _____

Delivery Address: _____

Postcode: _____ Telephone No: _____

Fax No: _____ E-mail: _____

I would also like to receive a FREE e-mail newsletter informing me of any future related titles: Yes No

Signature: _____ Date: _____ **INT**
